

CAMPBELL AT THE FAIR—First prize winner of \$300 in the Agriculture Feature booth section of the Santa Clara County Fair last week was the Orchard City Grange of Campbell, showing a century of agricultural progress in agriculture under a theme of Western Heritage. Booth chairman was Richard R. Morrill, Jr. Watching a portion of the 300 square foot exhibit above are Campbell residents Mr. and Mrs. Charles Kaffer and sons, Charles Jr. and Edwin.

Moreland Voting For School Building Loan

Moreland School District is all set for the election to be held next Wednesday which will qualify the district to accept a \$300,000.00 loan from the State of California, most of which sum will provide for building a new school to take care of the overcrowded Moreland and El Quito Park classrooms.

A two-thirds majority vote is necessary for the district to qualify for the funds. There are 1656 qualified voters in the district who are being urged to cast ballots by the board in order that the district accept the allocation from the state.

This is not a bond election. A favorable vote will not increase the tax rate. The district is already bonded to the maximum.

The district is obliged by law to make repayment to the state, but so long as the district remains an agricultural-residential area, total repayment to the state is unlikely. Moreland is classified as an impoverished district.

The money provided in the pro-

posed allocation from the state will be used to construct the first unit of six classrooms, and administration room and kindergarten room on land already belonging to the district at the corner of San Tomas and Bucknall Roads to be known as Escuela la Palma.

Enrollment at Moreland School now is 925 and three of the classes are being held in the Presbyterian Church at Quito Park, an arrangement which enable the school to avoid setting up double sessions for six classes, according to Mrs. Gussie Baker, school superintendent.

The voting next Wednesday will be from 7 a. m. to 7 p. m. at El Quito Park and at Moreland schools.

METHODISTS TO BREAK GROUND FOR NEW CHURCH THIS SUNDAY

Everything is in readiness for the groundbreaking ceremonies starting at four o'clock Sunday afternoon for the new building of the First Methodist Church of Campbell which is to be erected at Latimer Avenue and Winchester Road, according to Dean Chamberlin, the building committee chairman. Bishop Donald Harvey Tippet, resident Bishop of the California Area of Methodist Church is to officiate at the ceremonies.

Dr. John Wilkins, Superintendent of the San Jose District will also take part in the ceremony. The Rev. Herbert Neale is pastor of the Campbell Methodist Church.

First section of construction will include a 6,600-square foot fellowship unit, 1,300-square foot administration wing and an 1,800-square foot covered walkway. A hard-surface parking lot accommodating

50 cars will be doubled later. Second unit will be an education unit and the third section the sanctuary. The Rev. Neale said each of the three section will be contracted separately.

Facilities of the first unit will be used in conjunction with those of the old church located at E. Campbell Ave and First St. until the old church is sold, he added.

Architect is Carlton A. Steiner of Berkeley.

UNITED GIVERS TO MATCH AREA SERVICE FUND BY TWENTY PERCENT

Campbell Area Community Service Fund will share in contributions raised by the United Givers Plan this year according to fund officials.

Under an agreement worked out by Campbell Community Service Fund and United Givers Plan officials, the county-wide industrial solicitation organization will match the Campbell area residential drive proceeds by 20%.

Dr. W. B. Morell, Campaign Manager of the Service Fund, pointed out that for every one dollar given by Campbell area householders, the Service Fund will benefit by and extra 20c. This will give the people living in the Campbell Union High School District an added incentive in giving when the solicitors launch their drive September 30. United Givers Plan will start their solicitation among plant employees on the same date.

Norman Bowman, Industrial Contact Chairman for the Campbell Area Service Fund headed the committee which met with the United Givers Plan officials. Mrs. F. A. Ellis and Mrs. Larry Critchlow were the other two members of the committee.

Money derived from the drive will go to the following social agencies: Boy Scouts, \$5,000; Girl

Scouts, \$4,000; Y.M.C.A., \$1,124; Campfire Girls, \$3,000; United Defense Fund, \$523; Family Service Association, \$2,091; Visiting Nurse Association, \$2,091; Campbell Library Fund, \$500; Milk and Lunch Fund for Union, Moreland, Campbell and Cambrian schools, \$1,800.

LOS ALTOS BUYS CITY HALL SITE

The city council at Las Altos approved a resolution Tuesday night of intent to secure a 10.36 acre site on San Antonio Road for use as a city hall and community center site. Purchase price of \$117,000 is for nine acres, the other one and a third acres being a gift to the city by Mr. and Mrs. Gilbert Smith.

Financing is being studied by a committee headed by Councilman Clarence Witt it being understood \$26,000 is available in matching moneys from the state, while the council has \$55,000 surpluses toward such purchase. City Attorney Gardner Bullis cautioned that councils are not empowered to make future councils liable for expenditure. He said an "extended option" arrangement to acquire a portion each year would be legal.

Hearing Set For New Medical Center Bid

Plans for a four-unit Medical-Dental building on a site fronting 150 feet on the northerly side of Hamilton avenue west of Central avenue were filed Thursday with the Campbell Planning Commission by Security Enterprise of 221 E. Campbell avenue. The commission set Thursday evening, October 7 for a hearing on rezoning application

from an R-1 to a C-1-S property classification. The petition was signed by John W. Zeigler, a dentist, Thomas McNiff and A. Frederick Snyder, physicians and Richard J. Salice, pharmacist.

The commission also set October 7 as hearing date on a resolution to zone the Lewis H. Smith tract, annexed recently, to R-1 zoning. Also on the same date a hearing was set on the application of Assembly of God Church for a use permit to improve facilities at 138 North Winchester Road by adding classrooms and an apartment.

A hearing was set for October 7 on application by Y. Archibald to change from R-1 to a C-2 zoning of property at 30 West Campbell avenue.

Planning Commissioner Guy E. Farley said the committee working on the Public Works budget will meet soon with department heads to a set of priorities considered. A future site for a city hall, fire station and other future needs, are expected in the listings, he said.

The commission authorized that a series of aerial photos be taken of Campbell for reference purposes.

HIGH SCHOOL NOW OPEN WITH 1936 ENROLLED

Campbell Union High School opened Monday with 1936 students enrolled which number is 186 above its normal capacity and 239 more than were enrolled on opening day one year ago. Largest registration was in the Freshman class which took in 621 new students.

With 18 new teachers the faculty including administrators now numbers 100. While some classrooms are overcrowded, the school will be able to cope with the strain this year with relief coming next Fall as the new Camden High School branch is completed.

1800 ATTENDED CAMBRIAN FETE

An estimated 1800 persons came to the Cambria celebration and about \$1200 was taken in, according to a report by Mrs. Patti Mathewson, chairman and committee members of the Cambrian Park Improvement Association. The committee hopes to clear around \$500 from the event which sum would go toward the Youth Center fund.

Winner of the steel patio cover was L. J. Brunski of 14640 Charnon avenue.

Next meeting of the Cambrian Park Improvement Association is to be Tuesday, October 5th.

REGISTRATION STARTS TONIGHT FOR ADULT EDUCATION CLASSES

Registration starts tonight for the Adult Education Program of Campbell Union High School, the Fall quarter term being from September 27 to December 17, according to Kenneth Robison, director. Already seventeen classes have been scheduled under six departments as follows: Art Metal, Frank Meiss instructing, Mondays 7 to 10 p. m. in metal shop at high school.

Crafts, Wesley Berg instructing, 7-10 Thursday, room 50 at high school.

Leathercraft, Mrs. Marian Dearborn, instructor 7:30 to 10 p. m. Tuesdays at Moreland School.

Citizenship, William Allman instructing, 7:30-9:30 Tuesdays, room 68 high school.

Accounting and business machines, Garth Norton instructing, 7:30 to 9:30 Thursdays, room 15, high school.

Typing, Garth Norton instructing, 7-9 Monday, room 6 high school.

Rug making and knitting, Mrs. Bessie Young instructing 1:30-4:30 Tuesdays, room 42, high school.

Pre-natal care, Mrs. Bette O'Reilly, Mondays 7:30-9:30 Girls' Gym, high school.

Sewing, Mrs. Helen Davis instructing 7-10 Thursdays room 43 high school.

Sewing, Wednesday 7:00-10:00,

CLASSROOMS ARE BULGING AT CAMBRIAN PARK

Cambrian Union Grammar School opened Monday with 1205 students in classrooms although 1250 were enrolled. There are double sessions in classes from the first through the fifth grades. Last year's enrollment at the start of the term was 900, according to Superintendent Delos Bagby.

Relief is expected from the overcrowded conditions as the new ten-classroom school is completed in February. There will be a multipurpose room and an administration office also for the school. Steel framework was being put up today and the roof is soon to go on virtually assuring that the building will be completed on schedule. Enrollment by the end of 1954 is expected to reach the 1300 mark. There are ten new teachers on the faculty bringing the total including administrators to 43, Bagby stated.

Hamann Tells Of German Progress

Anthony Hamman, San Jose City Manager, was guest speaker at the Campbell Rotary Club regular Monday luncheon in the I. O. O. F. Hall.

Hamman spoke on observations he had made of West Germany while on a visit there a year ago, saying it was the most devastated country in the world in 1945 but it had made the greatest recovery ever seen, since that time. While the communists talk, the West Germans use action and out-perform them in so many ways that communism can make little headway. He also commented that Russian control of Germany would mean a Russian-controlled Europe and that there is a great desire for German unification and for a European unification something on the order of the United States.

A new member, Stanley Smith, well known orchardist and former member of the Burbank Rotary Club, was introduced by Dobbie Jeffers in a novel "This Is Your Life" way, to other club members.

QUITO MAN UNHURT IN AUTO ACCIDENT

Gary Lee Miller of 18622 Martha Avenue in the vicinity of the Quito school, escaped injury Tuesday morning when his car crashed with one driven by George A. Starbird, mayor of San Jose who also was uninjured. Officers quoted Starbird as saying he had just left Lou's Village Restaurant.

Proposed Monroe School Would Relieve

Campbell Schools Bulge With Record Enrollment

BIDS CALLED FOR CAMDEN HIGH SCHOOL

Bids were called today for construction of the new Camden High School on Union Avenue according to plans and specifications set up by the architects, Birge Clark and Walter Stramquist of Palo Alto. The board will open the bids on the evening of October 14.

The new school is made possible by the passage in December of a \$2,500,000 bond issue which also provides funds for the purchase of a third high school site on the west side of the district and also providing for additional classrooms at the present school.

FINAL PLANS FOR SERVICE FUND DRIVE

The Campaign Committee of the Campbell Area Service Fund met Monday night at the home of Mrs. Larry Critchlow to work on final plans for the fund drive which starts September 30 and runs through October 2nd.

Mrs. Harry Story, vice-chairman of the Campaign Committee, announced additional Area Coordinators. They are: Mrs. Mel Eslinger for Dover No. 2, Mrs. Manley Nelson for the Union Park District, Mrs. Marje Walker for the Cypress District and Mrs. Hugh Finley for Burbank business district. George Kemp will handle Campbell High School teacher solicitations and Larry Newberry will supervise solicitation by the Y. M. C. A. boys in the San Tomas District.

Miss Laura Blaine and Miss Carolyn Coons will have charge of teacher solicitation in the Elementary schools.

Dr. W. B. Morell, campaign manager, announced that a briefing session for all Area Coordinators and their workers will be held Monday evening, September 27, at the Congregational Church in Campbell at which time the regular board meeting of the Service Fund will also be held.

Dr. Morell pointed out that residents living in the Campbell Union High School District have an added incentive in giving, due to the fact that the United Givers, county-wide industrial solicitation organization, will match the Campbell area residential drive proceeds by 20 per cent.

ADULT CLASSES NEXT WEEK AT UNION SCHOOL

Adult Education classes will begin at the Union Elementary School, 15230 Los Gatos-Almaden Road, Wednesday, September 29th, at 7:00 p. m.

Evening classes in Woodworking and Sewing are being offered. Registration is at the school from 8:00 to 5:00 p. m. daily and for the first two weeks of the fall quarter. There is a one dollar charge for each class each quarter.

Woodworking will be under the instruction of Don C. Gorin, on Wednesdays, from 7:00 to 10:00 p. m. The class is designed for home hobby experience with white pine and hard woods available from Gorin. Instruction will be given in both hand and machine woodworking.

Sewing will be under the supervision of Miss Marjorie Gregory, on Wednesdays, from 7:00 to 10:00 p. m. This class will give instruction on sewing methods and personal choice of clothing.

FIRST BAPTIST CHURCH PLANS NEW BUILDING

A building permit has been issued to the First Baptist Church to put up a building on the Santa Clara-Saratoga Road between Quito and Prospect Roads, estimated cost being \$65,000.

With enrollment of 4450 today in the nine schools of the Campbell Union Elementary School District and 4650 expected before the end of the school term, facilities were reported crowded to overflowing and with half-day sessions at four of the schools. The increase is sixteen percent over the enrollment at this time one year ago when the registration was 4,000, according to William Henley, school superintendent.

There are 312 students in the district as well as 605 in the kindergarten classes in half day sessions.

"This growth will continue for a number of years at the present birth rate and with the influx of new people in the district", Henley said adding:

"A partial answer is the construction of the proposed Monroe School for which there is available \$350,000 in state funds to the Campbell School district which sum is contingent on the district putting up \$49,000 in bond money as would be provided in the October 7 bond election."

The additional bond money raised in this measure would be used to further the building program in the various schools of the district and to make the district eligible for additional state funds when available, Henley explained. In order to secure these state funds, the district must be bonded to its capacity, which is not presently the case here.

Tulip Time Topic At Kiwanis Meet

A pictorial story of life in Europe today was revealed Tuesday to members of the Campbell Kiwanis Club as Ken Root of San Jose, recently returned from four years with the American army there presented color film taken this year in Luxembourg, Heidelberg, France, Italy, Switzerland and Holland.

Tulip time in Holland was a riot of color in pictures filmed in April of this year. Costumes by some of the natives had the fancy of the speaker. He said that the reception to the American troops was best in Holland and Switzerland, and very indifferent in France. Germany is on the road to recovery through hard work and their facilities are modern in every respect, he said.

Fred Jones was program chairman. Bert Spencer of the San Francisco Kiwanis Club was a visitor.

Plans Completed For Card Party

The committee for the St. Lucy's Womens Club card party met at the home of Mrs. Louis Bogner on Tuesday to complete plans for the party which is to be in the Parish School on Kennedy avenue tomorrow night. All types of card games may be played and the public is invited. Refreshments are to be served and many prizes offered.

THREE SWEEPSTAKES AWARDS AT FAIR WON BY CAMPBELL F.H.A. GROUP

The F. H. A. booth at the County Fair last week featured a model kitchen with girls from Campbell, Lick and Los Gatos High Schools demonstrating the baking of cakes, cookies, yeast rolls and other delicacies.

The rest of the booth was filled with baked things, canned goods and textiles entered for prizes in the amateur division. The girls received money along with their ribbons, \$2 for first, \$1.50 for second and 50c for third. Advisors to Campbell Chapter F. H. A. were Mrs. Dorothy Harrington and Mrs. Adele Charlson. Winners from Campbell included:

Alice Lassen, sweepstakes award for clothing and firsts for jumper, jacket, child dress, apricot jam, suit; second for formal, jacket and cotton dress.

Ellen Nunamaker, second in sweepstakes clothing; firsts for formal, house coat, cinnamon rolls; seconds for pajamas, child's suit, bread, cake and parkerhouse rolls.

Carol Young won first sweepstakes for her baked goods, and firsts for blackberry jam, coffee cake, Parkerhouse rolls, baking powder biscuits and rolled cookies; thirds for cherries, layer cake, cookies, nut bread and sponge cake.

Janice Polglase took first for sponge cake, thirds for drop cookies and peaches. Leora Scattini, second for biscuits. Josephine Buccellato, firsts for angel food cake and first for cotton skirt. Charlene Carmichael, first for cotton blouse. Carol Steinmetz a second for her apple pie. Sally Ota, seconds for suit and loaf cake. Nancy Namba, first for pajamas and third for child clothing. Jeanette Hiland, third for bread and butter pickles. Dolores Machado, second for sponge cake. Masaho Kawauchi, first for cranberry conserves. Janice Nomura won sweepstakes award in canned goods, taking also first for her chili sauce and seconds for apricots, pears, cherries, and strawberry jam.

EDITORIAL

NEWSPAPER WEEK

One rarely realizes the importance and usefulness of the newspaper until a strike or other cause brings about suspension. News is a precious commodity. There is nothing to quite satisfy public appetite for it.

Sometimes news just rolls in. Then the problem is to sort out the important material which the editor feels will be of interest to most readers. Sometimes news writers take assignments on which they will put in four or five hours to make a story but six inches or so in length. One of those stories appeared in The Campbell Press very recently.

The average reader has small conception of the wide variety of services which a newspaper performs besides reporting local events. It chronicles the social and club activities, publishes births and deaths, reports weather changes, keeps abreast of economic conditions, covers doings in sports, provides a great means for sales promotion with its classified and display advertising and informs of public hearings and other legal procedures.

The home town newspaper is the guardian of the civic prestige, the champion of civic accomplishments, the clarion of historic events and the defender of public rights. It might be added that newspapers are constantly on guard to preserve the freedom of the press and to defend political and religious freedom. The theme for National Newspaper Week, always the first week of October, seems quite appropriate: "The Freedom of the Press—What It Means to the Man on the Street."

AMERICAN INDIAN DAY

American Indian Day next Saturday is not an event to be considered lightly, for it is an annual affair which has been going on for many years. Schools, colleges, lodges and churches have observed the last Saturday in September because that was the time the corn festivals and council ceremonies of all Indian tribes were held. It is the advent of Indian Summer.

In 1914 New York state observed Indian Day officially, then in 1918 Illinois passed a law placing it on the State calendar. Washington did likewise in 1919 and other states so proclaimed it.

Specifically it is a day to pay homage to the American Indian and his contribution to our culture and our way of life. The Indians gave us about 60 percent of the food we eat; vegetables such as corn, tomatoes, potatoes, fruits, berries and nuts being among their developments. The sunflower, petunias and the dahlia are Indian flowers. Our United States are replete with Indian names, many in Santa Clara County and in California.

The race itself is dwindling, but these other contributions will live on forever. It is well that we recognize them on American Indian Day.

CHAMBER EXECUTIVES MEET IN S. F.

Community growth no longer is a haphazard affair; it calls for foresight, planning and promotion. The community which applies these principles will usually forge ahead of the community which does not, other things being equal.

In the forefront of community planning and promotion these days is usually found the chamber of commerce. The American Association of Chamber of Commerce Executives will hold its 40th annual meeting in San Francisco next week. The Association has an elaborate program devoted to discussion of all kinds of community development. The San Francisco Chamber of Commerce is acting as host to the meeting and chamber of commerce executives from all over California will take advantage of the opportunity which the meeting affords to get new ideas not only on community developments but internal chamber organization.

The meeting will conclude with a tour of some of the California areas which have been outstandingly successful in applying foresight, planning and promotion. The four or five hundred chamber of commerce executives from all over the nation who will attend the meeting will see for themselves how we do it here in California. The visitors may inspire us to new achievements or, more probably, they will find much to copy in our chamber operations.

PLATE SLOGANS

You see them every day, on cars passing through town—"Iowa - The Corn State," "Minnesota - 10,000 Lakes" and "New York - The Empire State." So far, the California license plate is free of slogans and, thinking it over, what is there to add to the name California?

What is there to add to the color, the drama, the lure and the grandeur of California. The name speaks for itself and don't let anyone tinker with it.

TURN BACKWARD

Sunday, September 26, is the turn-back-the-clock-if-you-want-to-keep-on-time day. This is one of the more pleasant duties which befall us, for it means an extra hour of sleep on that morning. As you will know if you are more than five months old, the best procedure is to set the clock back before you go to bed Saturday night. Then you'll be all square with the world on Sunday morning. The setting back of the clock is a sure indication that summer and vacations are past. Now comes the fall and winter with nothing to look forward to but football, the World Series, Thanksgiving, Christmas, New Years, snow sports—hey, sounds pretty good!

A WELCOME CHANGE

The Campbell Gambol

FROM THE WAY The Future Home makers from Campbell High School took prizes and demonstrated their know-how at the Santa Clara County Fair last week, some of the young men around here should start looking over for theirs is a knack which is high on the list of musts when men start thinking about taking the road to connubial bliss.

AT THE FAIR The Orchard City Grange booth was about the best of any and they came away with \$300 in prize money... the merchants who got together and put up an exhibit in conjunction with the Chamber of Commerce, did not fare so well as they came away just about empty handed as someone had pilfered the booth of just about everything of value... anyway, we learned of a quick way to get to the fair and avoid the big rush, just by going out Foxworthy to Almaden, south to Hillsdale to Monterey and you are then about half mile south of the livestock exhibit area.

FOOD SALES and rummage sales always seem to be popular in the early Fall season, and this one is no exception... it is one of the ways in which church groups manage to raise money for a cause... service stations are being set up on many sites in the Campbell area and there will be more of them, as major petroleum companies have already made surveys of the potentials in Campbell

and seemingly have pegged this a good place for future development and heavier vehicular traffic. TOWN BOUNCES A bit when schools open with buses full of youngsters and more buses to be purchased to keep up with the ever increasing enrollments... football field weaving with squads doing this and that as the coach directs them... bright-eyed youngsters strolling and chatting like mad along the streets... school administrators stating that attendance not quite up to what was expected but very, very optimistic it will be there very soon, as the prune crop is finally harvested.

BIG, FULL MOON Lazing languidly overhead as dahlia heads nod in the soft evening breeze and cars whiz by on the highway... the modern approach to Indian Summer... woman from San Tomas area telling us that feeling toward Campbell would be better if perhaps we changed the name to something Spanish-like and all we have to do is look on the wall at Volume 1, No. 1 of the Campbell Press (originally called the Campbell Weekly Visitor) published June 7, 1895, where it says right there on the front page... "Someone has proposed that we change the name of Campbell. Might as well talk of changing the name of America. Campbell has come to stay"... and them's our sentiments, too.

FRANKLY STATED By a Santa Clara newspaper last week was the account of a wedding there... the going-away attire of the bride was a pair of levis with jacket to match while the mode of transportation was the rear seat of a motorcycle, which was just what the couple intended it would be for their honeymoon trip to Arizona.

Shower Honors Mother From Jamaica Here

A surprise baby shower was held under the big oak trees in the garden of Mrs. A. B. Metcalf on Thursday, honoring Mrs. Walter Brown of Regina Way, Mrs. D. E. Walker and Mrs. R. A. Jones acted as hostesses. Youngest guest at the party was 8 day old Master Jerrold Jones, and his mother, Mrs. Walter Jones, who came back from Jamaica so Jerrold could be born in the U. S. The baby's maternal grandmother, Mrs. Ella James from Saskatchewan, Canada, was also one of the guests, as well as his paternal grandmother, Mrs. J. F. Jones, of Harriet Ave. Other guests were: Mesdames F. H. Smith, A. B. Metcalf, Cliff Miller, C. L. Lisenby, Fred Carson, Ray Helms, Julius Jensen, Jeff Vice, H. G. Blohm, L. A. Robertson, Fred Bartlett, and Mrs. Dominic Serrano and her daughters, Marlene and Linda.

CAMPBELL REGISTER

Mr. and Mrs. HOWARD GUILBERT and family of 60 W. Latimer returned last week from a leisurely, month-long vacation tour which included Clear Lake, Shasta and Mt. Lassen where they encountered the first snowstorm of the season. On their way through northern California they stopped to visit with Campbell High's former coach, Harold Drummond, who is now living in Adin, Modoc county, where he is principal of the Big Valley Joint Union High School. Since moving, the two families have kept in close touch with each other and the adventurous ten year old boys of both families often make the long bus trip alone to visit back and forth.

The WARREN UNTIEDTS and daughter KAREN of N. Milton, have just returned from a motor trip to Monte Vista, Colorado, where they picked up KIM, their eldest daughter, who has been having a wonderful time visiting her grandmother, Mrs. Gregig, since the first of July.

Mrs. C. E. BYRNS of 179 E. Rincon, will soon be moving to Hayward where she will have a cottage near her son and his family. Mrs. Byrns is one of our oldest residents, having lived here 33 years this November.

EDDIE TONINI is convalescing at home after a recent operation at Letterman General Hospital, for wounds received while serving with the Armed Forces in World War II.

Mr. and Mrs. Claude Grizzle of 71 Alice Way, were hosts last Wednesday evening for a family gathering when they initiated their new barbecue pit with son, Dr. laude O. Grizzle and Verle Grizzle acting as chefs. The pit is of special interest to the family because it was made of stones gathered on many a trip by Claude Grizzle. Among those present were Dr. and Mrs. Claude O. Grizzle, Miss Louise Askew, former schoolmate of daughter Kathy, Miss Katherine Grizzle, Miss Winnie Grizzle, Orle Grizzle, Verle Grizzle and daughter Valerie, Mrs. Maxine Bouchard of Los Gatos and Mrs. Eunice Phelps of Los Gatos.

TUPPENNY PIES AT FARMERS MARKET

A Scotch baker who will make tupenny meat pies will be one of the attractions at the Farmer's Market, sponsored by the Presbyterian Church of Los Gatos this Saturday. There will also be tarts and short bread along with a variety of foods, gifts and clothing. Miss Louise Hayes is general chairman. The church is on Shannon Road.

The clipper ship, "Surprise", arrived in San Francisco March 18, 1851 from New York, in 96 days, 15 hours.

Society... Personals... Clubs... Organizations...

'THIS IS YOUR LIFE' PARTY FEATURED BY GARDEN CLUB

The new home of Mrs. Fred Seymour, of Argonaut Circle, Saratoga, was the scene of much merriment on Wednesday, when "This Is Your Life" Day was observed by the Campbell Garden Club with Mrs. H. G. Blohm conducting the program. A special guest was Mrs. C. D. Wilson, a charter member, who is credited with starting the Kwanzan Cherry Tree project in the club.

Mrs. Wilson related many amusing and interesting incidents that occurred during the beginning months of the Club, which was organized in April 1947. Tiny gifts were presented to the members, imitating the popular TV program. Mrs. Emil Kollmer, another charter member, was warmly welcomed, having recently returned from a trip to Hawaii. She wore a lei of the fragrant ginger blossoms from the Islands, and gave seeds of the Ti plant to the members.

Mrs. Robert Dunn, president, conducted the business session, and

Mrs. Robert Miller and Mrs. Roy Burnett, co-chairmen of the Fair exhibit, were congratulated, with their helpers, on winning first prize, and Mrs. Charles Smith and Mrs. Robert Dunn on winning first prize in the club's table arrangement.

It was voted to retain membership in the State Federation of Garden Clubs. Mrs. Alfred Drake, garden consultant, stated that now is the time to divide and plant your favorite perennials, and to bring the Christmas cactus indoors.

Mrs. John Cantoni announced that Men's Night will be Friday, October 8, at the Club house.

A chrysanthemum tea will be held on Nov. 5, at the Saratoga Foothill Club house, on Park Way, with Mrs. George Kolze as chairman of the tea, and Mrs. Fred Seymour, chairman of the day. Mrs. Mel Cotton, Mrs. J. A. Feasel, and Mrs. H. G. Blohm handling publicity.

Art Facilities At Montalvo For New Classes

Classes in various art forms will convene for the Fall semester this month at Montalvo in Saratoga, with openings for beginners or more advanced students in all subjects offered.

Ceramics, taught by Dr. Herbert Saunders of San Jose State College, has the added advantage this year of having its own kiln, donated to the class as a memorial to Mrs. Olga Newby. The class, which has already begun its Fall term, has still openings for a few more interested persons. To register, call Mrs. Robert Davies, EL 4-3184. Class meets on Wednesday afternoons from 1:30 to 4:30.

A basic course in water color technique will again be offered by Warren Faus, well known local artist and member of the art faculty of San Jose State College. Class will begin September 24 in the studio. Hours are Fridays from 1:30 to 3:30; beginners as well as advanced students are welcome. To register call Mrs. Percy T. Hincks, UN 7-3358.

Oil painting by George Harris of Stanford University re-opened September 16, and this year there will be openings for new students. Class meets on Thursday from 9:30 to 12:30. For registration call Mrs. Earl Bothwell at CY 3-2060 or Mrs. Paul Muth, UN 7-3449.

Textile weaving by Mrs. Irene Brown is by appointment. For further information call Mrs. Brown at UN 7-3349.

With the exception of weaving, all classes will meet in the studio garage at Montalvo.

Rosemary Club's New Committees

The Executive Board of the Rosemary Home and School Club held its first meeting of the Fall season Tuesday at the School with president Bernard C. Clark officiating.

The following persons were announced as chairmen of the various committees for the 1954-55 season: Ways and Means, Ken Morton and Jim Caldwell; Membership, Mrs. Betty Adams; Auditor, Boyd C. Rappe; Nursery, Mrs. Sally Goodwin; Publicity, Mrs. Mary Jane Gilbert; Parliamentarian, Mrs. Grace Lobrovich; Refreshments, Mrs. Marjorie Hanson; Room Mother, Mrs. Bonnie Pinkston; By-laws, Mrs. Wilda Theroux; Program, Mrs. Iola Miller and Mrs. Larry Newberry; Decoration, Mrs. Josephine Gibilisco.

Other officers elected before the summer vacation are Mrs. Lillian Guilbert, vice president; Mrs. Carol Cowdery, secretary; and Mrs. Edith Brooks, treasurer.

The California Academy of Sciences at San Francisco maintains research departments with large scientific collections.

Paradiso PTA Meeting Here This Evening

The first meeting for the Fall Season of El Paradiso Council, PTA will be held starting at eight o'clock this evening at the Campbell Elementary School, according to Mrs. Richard O'Flynn, Council president.

Officers of the council, unit presidents and council chairmen are expected to be present. While PTA members are welcome, this first meeting will be a business one.

Sorority Opens Fall Meets Here

Members of the Beta Gamma Delphian Chapter are holding their first meeting of the Fall season this morning in the home of Mrs. Stephen B. Anderson at 690 Lucret Way.

New officers of the term are Mesdames Robert Guest, president; F. F. Richardson, vice president; Alvin Campbell, secretary; John S. Atkinson, treasurer; S. B. Anderson, seminar chairman; Larry Critchlow, publicity; and P. B. Payne Jr. and George Hatlen, seminar board members.

Cultural patterns will be the theme of this season's meetings.

Well Fed? That's Cambrian Topic Economics Meet

Carolyn Gilbert was program chairman yesterday noon at the Youth Center room of Cambrian School when the Home Extension service held its first meeting of the Fall season, the subject: "How Well Are You Fed?". Mary Staren, home advisor, Agricultural Extension Service was the main speaker. Francis Daniels is publicity chairman.

Country Woman's Club To Meet Here Monday

The Campbell Country Women's Club will hold a luncheon when next they meet Monday, September 27, at 1:00 p. m. in the Campbell Library with Mrs. Albert Ellis presiding in the absence of Mrs. Lloyd Brown.

Margaret Douglas Chamberlin, formerly with the Speech Department of San Jose State College, will be guest speaker, her topic being "Arts In Our Culture". Music will be furnished by Marion Gould, cellist, accompanied by Charlene Carmichael, pianist, both students of Campbell High School. Luncheon proceeds to go for the benefit of the new drapery fund.

Mrs. W. C. Henley is in charge of luncheon plans and Mrs. Mervin Willoughby will be chairman of the day.

O.E.S. Rummage Sale Saturday

The Star Circle of Campbell Chapter, O. E. S. rummage sale on Saturday will be held in the I. O. O. F. Building in Campbell. The doors will be open all day, according to co-chairman Mrs. W. Peterson and Mrs. C. Kaufmann who will be in charge. Those who can not bring their rummage are to telephone FR 8-2345 of CY 3-8693 for pickups.

WINNERS AT THE FAIR from Campbell

Patricia Gorman, 11, from the Cypress School, was a kid's day winner Friday for having most freckles.

Margaret Leal, former president of the Campbell Garden Club, now a resident of Cupertino won sweepstakes award for flower arrangements.

In textiles and clothing section, Women's Division—bedspread, appliqued, Edith Ames, first; solid pattern crocheted, Mrs. T. R. Knowles, second and third. Trail Riders of the Wilderness, organized in 1933 by the American Forestry Association, conducts summer expeditions to Western wilderness areas.

Under certain conditions the Central Valley Water Project pumping plant near Tracy will draw water from as far as 20 miles downstream in the Sacramento-San Joaquin delta.

NEW DENS SET UP; LEADERS NEEDED

Pack 9 is sending an urgent call to all mothers interested in becoming Den Mothers to contact Ralph Kallam at FR 8-2508 or Jean McAfee at FR 8-0307. Den Mothers are badly needed for new Troops and for troops already established, that have lost their leaders for various reasons.

All boys interested in cubbing are welcome to join, especially those of the Hamilton School District, where new dens are being formed.

Pack 9 meets the last Friday of each month at the Congregational Church, 49 N. Central. Cubmaster is Ralph Kallam.

VISITING NURSE MRS. IRMA DONNALLY of this area is shown calling on Mrs. Imogene Mastrian and baby. This is one of the many functions of the Visiting Nurses' Association, which is supported in part from patients' fees, but depends to a great extent on funds obtained by the Community Service organization.

CAMPBELL COUPLE OBSERVE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. T. E. Osborne of 251 Esther Avenue, celebrated their Golden Wedding anniversary, September 7th, at the home of their son, Dr. Lawrence J. Osborne, and his family in Stockton.

During the afternoon another son, Dr. Norman E. Osborne of Hagerstown, Maryland, called by

telephone to extend his congratulations.

Mr. and Mrs. Osborne were married September 7, 1904, in Franklin, Pennsylvania, where they lived until September of 1947 when Mr. Osborne retired after spending 46 years in the retail lumber business.

They have made their home in Campbell for the past seven years.

Aluminum Foil In Sheets Made At Permanente

Aluminum foil, the ultra-thin aluminum sheet with a multitude of home, packaging, and industrial uses, is rolling out of Kaiser Aluminum & Chemical Corporation's plant at Permanente, near Campbell, with a new "wide look".

Foil up to 54 inches wide—the widest made in the West and equal to the widest produced in the nation—is produced by the plant's new four-high 60-inch mill.

The recently completed expansion increases the plant's rated annual capacity from 12 million pounds per year to 18 million, a boost of 50 per cent, and permits the corporation to keep pace with the mushrooming demand for wide foil.

The greater width lends itself to better control of the quality of the foil at the mill and allows further processors greater production for the same machine time.

In addition to bare aluminum foil for further fabrication into countless products, the plant also produces Kaiser Foil for household, broiler and freezer use.

Housed in a 10,000-square foot addition to the plant, the new mill brings total enclosed space at the Permanente facility to 60,000 square feet.

The 350-ton unit, can reduce aluminum in thickness from .026 of an inch to .00025 of an inch, and operates at speeds up to 3000 feet per minute.

It is complete with separator and roll grinding equipment, and may be used as a complete operation in processing the foil or as a step interrelated with the plant's other mills.

In addition to producing the more desirable wider foil, the new mill reduces operational costs by cutting scrap loss, rolling oil loss and maintenance costs.

An efficient and economical feature of the new equipment is its modern lubricating system. After cooling and lubricating the rolling machinery, the light viscosity oil is then itself cooled, filtered and returned to the mill for repeated use.

A series of oil sprays, which are controlled by a battery of valves beside the mill, help ensure uniform thickness of the foil. If a part of a roll becomes heated, thus expanding, a jet of oil may be directed at it to cool and contract it.

Ada Rebekah Lodge Plans Large Party

At the regular meeting of Ada Rebekah Lodge No. 223, Tuesday evening, plans were made for a public card party to be held October 16th, when a box of groceries will be offered as door prize.

Mrs. Dubois Rhine has been named general chairman with the following lodge members serving on her committee: Mrs. Fred Fellman, Mrs. Ralph Gardner, Mrs. Julius Bachman, Mrs. Herman Rice, Mrs. Jack Chappell, Mrs. Walter Silberbauer and Mrs. John Morley. They will be assisted by the Theta Rho Girls' Club.

Plans were also completed for Ada's participation in the District meeting to be held in San Jose next Tuesday. Mrs. Dorathea Niles Martin, state president, will preside at the meeting which is planned for instruction. All plans for the District meeting are under the supervision of Miss Ruth Laverne Bettinger, district deputy.

A dinner, to be held at the Congregational Church, Third and San Fernando, San Jose, at 6:30 p. m., will precede the meeting. Reservations are to be made through Mrs. Jack Chappell, FR 8-4044.

Assisting the Noble Grand, Mrs. T. F. Fladager in an exemplification are: Mrs. Joe Meckler, Mrs. Dubois Rhine, Mrs. Walter Silberbauer, Mrs. Jack Chappell and Mrs. Herman Rice.

The Past Noble Grands Club is meeting here tonight at the home of Mrs. Bryce Whitmore with Mrs. Walter Silberbauer as co-hostess. The stitching club is to meet every fourth Wednesday according to Mrs. Julius Bachman. Next meeting on October 28 will be in charge of Miss Mary Fabinger and Mrs. Ida Currie while Friendship Night will be observed by Ada Lodge on Tuesday, October 5 with Mrs. Ralph Gardner as chairman.

WEDDING RITES FOR CAMPBELL GIRL SATURDAY

In a small, intimate mid-afternoon ceremony at the Temple Emanu-El in San Jose Saturday, Marion Nattel and Raymond Kenneth Cohen recited the vows that united them in marriage. The ceremony was held in the Study of the Temple with Rabbi Joseph Giten officiating.

The bride wore a cocktail length gown with pink lace bodice styled in a sweetheart neckline trimmed with sequins, and a bouffant skirt of pink silk. Her small pink net cap was of velvet trimmed with a short veil. She carried a white orchid centered in a bouquet of bouvardia.

Mrs. Jeanette Zeitman of Campbell, sister of the bride, served as matron of honor. Her gown was of black and white check taffeta and she wore a corsage of red roses.

Marion was given in marriage by her brother-in-law, Harold Zeitman. Louis Fischer of Los Angeles performed the duties of best man.

For the wedding, Mrs. Aaron Cohen, mother of the bridegroom, wore a blue and white print dress with navy blue accessories and pinned on a white orchid.

Parents of the bride were unable to attend. Following the ceremony, a small reception was held at the home of the bridegroom's parents where the young couple cut the heart shaped, two tier, wedding cake.

Marion is the daughter of Mr. and Mrs. Max Nattel of Gary, Indiana. She attended schools in Gary and just recently came to California where she has been employed by the George M. Philpot Company of San Francisco.

Raymond is the son of Mr. and Mrs. Aaron Cohen of 1081 Newhall Street, San Jose. He is a graduate of Rensselaer Polytechnic Institute of Troy, New York, and at present is employed by the Stanford Research Institute as Chemical Engineer.

After the reception, the new Mrs. Cohen donned a blue and white checked suit with white accessories for her honeymoon trip to Carmel. Upon their return, the newlyweds will make their home in Palo Alto.

Fuchsia Care Topic Blossom Valley Club

At a meeting of Blossom Valley Garden Club September 15, in the patio of Mrs. G. F. Fickle's home on Woodward Road, near Los Gatos, Mr. and Mrs. LeRoy Weeks presented Mrs. William Dose, president, with an attractive gavel to be used by the club. Mrs. Frank Greggs gave an interesting talk on the origin of feeding, pruning and general care of fuchsias which now are at their peak, and also said September is the best time to take cuttings of geraniums and pelargoniums. Mrs. G. E. Fickle spoke on the care given begonias which also bloom profusely in the month of September.

Forty members attended, and of these thirty-two stayed to enjoy a pot-luck luncheon. Four new members welcomed into the club were, Mrs. Robert Rockwell, Mrs. Frank Hanson, Mrs. Irwin Maag and Mrs. John Rodman.

PHYLLIS NELSON IS BRIDE OF MR. BENJAMIN RADFORD

Bethany Lutheran Church was the setting chosen by Phyllis Nelson and Benjamin C. Radford when they recited their wedding vows in a ceremony performed last Saturday, September 18th, with the Reverend George R. Flora officiating.

For her wedding, Phyllis wore a white taffeta cocktail-length dress with jacket, styled with a sweetheart neckline and trimmed with rhinestones. A small white hat with a short veil adorned her head. She carried a white orchid centered on a white prayer book from which fell bouvardia entwined in satin ribbons.

Maid of honor, and only attendant of the bride, was Rayetta Nelson who wore a cocktail dress of baby blue taffeta trimmed in rhinestones. She carried a bouquet of pink baby roses.

The bride was given in marriage by Pat Mahoney. Richard Parle served as best man.

For her daughter's wedding, Mrs. Nelson donned a blue taffeta cocktail dress with matching bolero jacket. Her corsage was a white orchid.

Following the ceremony, a reception was held at the home of the bride's mother for some twenty-five persons. A four-tiered cake was the centerpiece on a table which was decorated with pink and white carnations.

Phyllis is the daughter of Mrs. Ernest Nelson of 320 Sunnyoaks Avenue. She was graduated from Campbell High School. She is affiliated with Ada Rebekah Lodge, Pocahontas, Sequoia Sewing Club and is advisor to Theta Rho. At present she is employed by her mother who operates Nelson Electric Company.

Benjamin is the son of Mrs. Hattie Radford of Fayette, West Virginia. He attended Fayette schools and now is Staff Sergeant in the Air Corps. He will leave at the end of this week for Rapid City, South Dakota, where he has been assigned, with Phyllis to follow in a few weeks to make their home.

Woman's Society Holds Meeting

The Women's Society of Christian Service, Circle No. 1, of the Methodist Church met Thursday at the home of Mrs. Robert Wurfer on Pollard Road at which time it was announced plans for the Annual Bazaar in December are underway, with all Circles participating.

Hostesses for the meeting were Mrs. Robert Wurfer and Mrs. B. C. Byrns.

Cancer Society Joins United Givers

The Santa Clara County Branch of the American Cancer Society will participate in the United Givers Plan for solicitation of business and industry, it was announced today by William A. Abbott, president.

He said the executive committee of the society voted to join with the plan in the belief it will result in a substantial increase of the total funds raised locally to fight cancer.

In the past the society's fund-raising drives have been largely in the residential areas of the city.

Dakota, where he has been assigned, with Phyllis to follow in a few weeks to make their home.

Potluck Picnic Is Gala Affair At San Tomas

A large crowd turned out for the old fashioned Pot-luck picnic held at the school by the San Tomas Parent and Teacher Association last Sunday with both children and parents participating in sport events.

Winners, girls and boys, are as follows: 1st grade, 25 yd. dash, Marie Ravenel and J. C. Orvis; 2nd grade, 25 yd. dash, Carol Austin and Gregg Snyder; Kindergarten, 25 yd. dash, Marilyn Busby and Ronnie Austin; 3rd grade, 40 yd. dash, Sandra Mae Ravenel and Kenny Farrell; 4th grade, 40 yd. dash, Jack Fischer; 5th grade, 50 yd. dash, Shelly Hancock and Claude Merritt; 6th and 7th grade, 75 yd. dash, Katherine Garrett and Ronnie Scott.

Winners in the parents' races were: Mothers; Frances Jones, 1st, Claudia Peterson, 2nd. Fathers; Ted Balgooyen, 1st, Harold Gardner, 2nd. A needle and thread race was won by Anna Mae and Chris Miller.

A soft ball game was won by the 5th and 6th grade girls and their fathers.

YOUTH ACTIVITIES

BOY SCOUTS

SCOUTING provides a vigorous program of red-blooded out-of-door activities and achievements in skills for all boys regardless of race, color or creed.

In the Campbell Area last year there were 645 Cub Scout Packs for boys 8-10, 372 Boy Scout Troops for boys 11-18, and 20 Explorer Scout groups for boys 15-18. 345 adult volunteer leaders worked with these boys.

Behind the boys and volunteer leaders is a highly organized Scout Headquarters under the direction of a full-time Scout Executive, four Field Executives and two office secretaries.

These are necessarily salaried workers who guide and energize the Scout program consistently throughout the year.

	1954	1953
Our Goal	\$5,000	\$4,000
Realized	?	2240

Y.M.C.A.

THE YOUNG MEN'S CHRISTIAN ASSOCIATION offers Fun, Friends, Fitness and Fellowship. The "Y" helps youth to help themselves by providing:

A healthy atmosphere in which a boy may grow in his activities by practicing the highest Christian principles without racial discrimination. Physical classes in gym, swim, tumbling, etc., according to age and ability.

Special interest groups and clubs where he may learn democratic living and the rights of others.

Methods for earning part or all of his annual fees, if necessary.

	1954	1953
Our Goal	\$1,124	\$850
Realized	?	560

School Milk and Lunch Fund

This program is administered by the school nurses, so no needy child in this area goes without lunch or milk.

GIRL SCOUTS

The Girl Scout organization is dedicated to helping girls develop as happy, resourceful individuals willing to share their abilities as citizens in their homes, their communities, their country and the world. Activities are developed around the interests and needs of girls. This area has 1,062 Girl Scouts—a 600% increase in troops in the last five years. Opportunities for fun, friendship and service are given to girls between 7 and 17 regardless of race, religion or background. The handicapped child is also given a chance to make her contribution in becoming a part of this group. It is also a family affair with both parents working to initiate the program.

	1954	1953
Our Goal	\$4,000	\$2350
Realized	?	1316

CAMP FIRE GIRLS

The objective of the Camp Fire Girls is to bring a leisure-time, character building program to girls between the ages of 7 and 16 that will increase skills, broaden interests and make for creative group activity. There were 15 new groups started in this area last year for a total of 560 members.

To make this program possible, many women volunteer their time and serve as leaders. A small paid staff directs and assists in carrying out a well-organized program.

As do our other youth groups, the Camp Fire Girls have a fine Camp program to further the objectives.

	1954	1953
Our Goal	\$3,000	\$2,550
Realized	?	1,482

Campbell Union Schools (9 schools)	\$900
Cambrian	\$300
Moreland	\$300
Union	\$300
TOTAL	\$1,800

YOU ASK—

AM I IN THE CAMPBELL AREA?

The Campbell Area Community Service Fund embodies the Campbell Union High School District. It serves more than 40,000 persons in a large residential area including Cambrian, Moorpark, Moreland, Quito, San Tomas, Union and fringes of Burbank and Willow Glen as well as Campbell. Since the areas outside the incorporated cities of Campbell and San Jose receive services from the various youth and welfare agencies, a Community Service organization is necessary to coordinate action in meeting their financial needs.

Every citizen in this area is reminded of his responsibility and urged to meet it so youth may be given opportunities to participate in wholesome, character-building activities, and both adults and children will not be deprived of nursing or guidance services.

The Campbell Union High School District is expected to meet the budget requests of the agencies as listed in this brochure. If you give where you work and not where you live, you are not supporting your own community needs!

YOU ASK—

DOES THE COMMUNITY SERVICE FUND REDUCE MULTIPLICITY OF APPEALS?

The Campbell Area Community Service Fund includes nine youth agencies, health, welfare and defense services. Some of these agencies offer types of services for which nominal fees may be charged clients, but none would be able to continue its services to this community without going to the citizenry in an annual appeal for funds. This means the Fund by combining these appeals reduces the number of local fund-raising drives.

YOU ASK—

WHO DECIDES WHERE THE MONEY GOES?

Your representatives — the Board of Directors of the Campbell Area Community Service Fund decide where the money goes. There are no paid workers—every bit of work is done by volunteers serving their community. The Board of Directors is composed of two official representatives from every organization (school, service, church or social) in the Campbell Union High School District to compose a truly representative group. Only about thirty such organizations have seen fit to assume this privilege and responsibility of the nearly ninety in the area.

This group of public-spirited citizens meets the fourth Monday of every month at the High School to discuss and plan how to raise and distribute the money for you. Last year a well-organized campaign cost less than \$200 of your money; the remainder went directly to the agencies. You will note from the figures given with each agency in this brochure—*this area fell far short of meeting the actual need for services*. If such services are to expand with our growing community, contributions *must* be increased greatly.

Conversely, without the annual combined appeal, each agency would be forced to conduct its own separate drive—NINE solicitations instead of ONE!

In our Campbell Area we have been failing to meet our goal for the past three years. Do we want to be assailed with more supplementary drives? At least one agency has asked to do so!

Remember—when you give to the Community Service Fund, you give to NINE different social agencies. **MAKE YOUR CONTRIBUTION ACCORDINGLY!**

COMMUNITY ACTIVITIES

Visiting Nurses' Association

The Visiting Nurses' Association is a non-profit corporation supported by patients' fees, health societies, school districts—with the operating deficit made up by the community welfare funds. (In this area—Campbell Area Community Service Fund.)

A Visiting Nurse is a Registered Nurse who does the same things for you in your home that a trained nurse would do in a hospital.

Visits by a nurse cost \$3.00 per call or per hour. In some circumstances the fee may be a portion of this or even nothing at all. The Visiting Nurse never refuses a first call and subsequent visits are made upon the order of the patient's physician.

Visiting Nurses served 1600 persons in the Campbell area last year at a cost of \$2.65 per person.

	1954	1953
Our Goal	\$1,000	\$1,000
Realized	?	560

Campbell Library

The Campbell Library is a branch of the Santa Clara County Library. The facilities are furnished and maintained by the Country Woman's Club of Campbell. The Community Service Fund assists with running expenses and additional services so our community may have a library.

Circulation for 1952-53 was 32,000 and it increased in 1953-54 to 37,593. Of this total, 10,757 were books borrowed by children.

The request for \$500 has remained the same for several years and along with the School Milk and Lunch Fund, has always been met in full.

Family Service Association

The Family Service Association promotes constructive family living through counseling on personal and family problems. This strictly confidential counseling is a highly skilled process whereby the counselor helps a person understand his own problems and helps him think through a solution which is his own.

Kinds of problems brought to the Association are: marital difficulties, parent-child problems, personality maladjustments, economic stress, unemployment, mental illness in family, physical illness or handicap, housing problems.

Family Service Association derives its support from the various Community Chest and Community Service Funds of Santa Clara County, from counseling fees, membership fees, and special money-raising projects. The demands for service out-run available facilities and there is a waiting list of heart-breaking proportions.

Family Service Association gave more than \$2,000 worth of counseling service in this area last year!

	1954	1953
Our Goal	\$2,091	\$1,750
Realized	?	980

United Defense Fund

This fund is to meet our responsibilities to the 3½ million men and women in the armed services. The funds are apportioned as follows:

U. S. O.	89.9%
United Community Defense Service.....	5.2%
American Social Hygiene Association	2.2%
United Seaman's Service	1.2%
National Recreation Association	.81%

	1954	1953
Our Goal	\$523	\$500
Realized	?	224

LEGAL NOTICE

SCHOOL BOND ELECTION NOTICE

Notice is hereby given to the qualified electors of Campbell Union School District of the County of Santa Clara, State of California, that in accordance with law, an election will be held on the 7th day of October, 1954, in said District, between the hours of 7:00 o'clock A. M. and 7:00 o'clock P. M. during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of Nine Hundred Fifty Thousand Dollars, for the purpose of raising money for the following purposes:

The purchasing of school lots. The building or purchasing of school buildings.

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.

The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.

The supplying of school buildings with furniture or necessary apparatus of a permanent nature. The permanent improvement of the school grounds.

The carrying out of the projects or purposes authorized in Section 18010 of the Education Code, to-wit: Providing sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the bonds, or any series thereof, are to run shall not exceed 25 years from the date thereof or the date of such series thereof.

For the purpose of holding said election, the School District shall be and it is hereby divided into eight Bond Election Precincts, numbered from 1 to 8 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said School District, and of their respective Bond Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Bond Election Precincts, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

BOND ELECTION PRECINCT NO. 1

shall include all those portions of County Election Precincts: Campbell 7, 11, 13; Walnut 3; Vineland 1 and 15, lying within the boundaries of the Campbell Union School District of Santa Clara County.

POLLING PLACE therein shall be at Cherry Lane School, 251 Cherry Lane, Campbell, California.

Officers of Election for said Bond Election Precinct:

IDA PAGE, Inspector
CHARLES E. LITTLE, Judge
GERTRUDE JONES, Judge

BOND ELECTION PRECINCT NO. 2

shall include all those portions of County Election Precincts: Burbank 1; Maypark 2, 4, 6, 8, 10, 11, 12, 13, 14, 15, 16, 17; San Jose 216, 202, 230, 231, and 232, lying within the boundaries of the Campbell Union School District of Santa Clara County.

POLLING PLACE therein shall be at Moorpark School, 649 Thornton Way, San Jose, California.

Officers of Election for said Bond Election Precinct:

PEARL R. SIDENSOL, Inspector
FRANCES G. PISANO, Judge
MARJORY J. DENEJA, Judge

BOND ELECTION PRECINCT NO. 3

shall include all those portions of County Election Precincts: Vineland 6, 7, 9, 10, and 13, lying within the boundaries of the Campbell Union School District of Santa Clara County.

POLLING PLACE therein shall be at San Tomas School, 1100 Hacienda Avenue, Campbell, California.

Officers of Election for said Bond Election Precinct:

EVE ANDERSON, Inspector
RUTH DUUS, Judge
AUDREY OBURN, Judge

BOND ELECTION PRECINCT NO. 4

shall include all those portions of County Election Precincts: Campbell 6; Gardner 2, 3, 4; Hamilton 1, 3; Walnut 1 and 4, lying within the boundaries of the Campbell Union School District of Santa Clara County.

POLLING PLACE therein shall be at Dover School, 840 Sheffield Way, Campbell, California.

Officers of Election for said Bond Election Precinct:

LAURANE BREWTON, Inspector

DOLLY KOSTER, Judge
LUCILLE F. MAX, Judge.
BOND ELECTION PRECINCT NO. 5

shall include all those portions of County Election Precincts: Campbell 1, 2, 4, 5, 10; Hamilton 2, 4; San Jose 234, lying within the boundaries of the Campbell Union School District of Santa Clara County.

POLLING PLACE therein shall be at Hamilton School, 336 E. Hamilton, Campbell, California.

Officers of Election for said Bond Election Precinct:

OLGA M. WOMER, Inspector
LAVERNE VALLELUNGA, Judge

BOND ELECTION PRECINCT NO. 6

shall include all those portions of County Election Precincts: Campbell 3, 8, 9, 12 and Moreland 9, lying within the boundaries of the Campbell Union School District of Santa Clara County.

POLLING PLACE therein shall be at Rosemary School, 285 W. Hamilton, Campbell, California.

Officers of Election for said Bond Election Precinct:

EDITH M. DILL, Inspector
ELLEN M. JENSEN, Judge
HELEN G. RICE, Judge

BOND ELECTION PRECINCT NO. 7

shall include all those portions of County Election Precincts: Moreland 1, 2, 5, 8, 10, 11, 12 and 16, and Santa Clara 34, lying within the boundaries of the Campbell Union School District.

POLLING PLACE therein shall be at Cypress School, 403 South Cypress, San Jose, California.

Officers of Election for said Bond Election Precinct:

HELEN ANDERSON, Inspector
JOYCE BROWN, Judge
ARVELLA ZAKNICH, Judge

BOND ELECTION PRECINCT NO. 8

shall include all those portions of County Election Precincts: Farwell; San Tomas 2, 3, 4, 5; Vineland 5 and 8, lying within the boundaries of the Campbell Union School District.

POLLING PLACE therein shall be at the Quito School, 500 Quito Road, Campbell, California.

Officers of Election for said Bond Election Precinct:

ANITA PERATA, Inspector
IRENE HARPER, Judge
PATRICIA LANDIS, Judge

Each qualified elector of said Campbell Union School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

The governing board of the School District shall meet on the seventh day after the election at its usual meeting place at 8:00 o'clock P. M. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 22nd day of July, 1954.

JOHN DIXON
DON HARTMAN
NANCY GORMAN
ED. A. MERRILL
L. E. MEANS

Members of the Governing Board of Campbell Union School District of Santa Clara County, California.

Sept. 9, 16, 23, 30.

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Campbell Union High School District of Santa Clara County, State of California, hereby invites and will receive sealed proposals for the furnishing of all materials and labor for the construction of CAMDEN HIGH SCHOOL, Camden and Union Avenues, Campbell, California, according to plans and specifications prepared by Birge M. Clark and Walter Stromquist, Architects, 321 Channing Avenue, Palo Alto, California.

All bids must be in writing and on forms furnished by the architects and entitled "Bid, Camden High School" and mailed or delivered to J. V. Gomes, Clerk of the Board of Trustees of the Campbell Union High School District, at the office of the Board of Trustees, Campbell Union High School, Campbell Avenue, Campbell, California, in time so that the same will be received by him not later than 8:00 P. M. on the 14th of October, 1954, at which time said bids will be opened and considered at a meeting of said Board to be held at the meeting place of said Board, to-wit, Campbell Union High School, Campbell Avenue, Campbell, California.

Bids shall be presented in accordance with plans and specifications for said work which are on file at the office of said Board, Campbell Union High School, Campbell Avenue, Campbell, and at the office of the architects, Birge M. Clark and Walter Stromquist, 321 Channing Avenue, Palo Alto. A deposit of \$100.00 will be required from all contractors receiving plans, said deposit to be refunded by the architects when plans and specifications are returned in good condition.

All bids must be signed by the bidder and be accompanied by a bid bond, or a certified check or cashier's check in the amount of 5% of the bid, but in no case to exceed \$50,000.00, said checks to be drawn payable to the order of J. V. Gomes, Clerk of the Board of Trustees of the Campbell Union High School, as a guarantee that the bidder will enter into a contract with said Board of Trustees of the Campbell Union High School District in accordance therewith upon being notified of the acceptance of said bid and will furnish the surety bonds as required by the specifications and by law, and said check to be forfeited to said Board of Trustees of the Campbell Union High School District should the bidder fail to execute the contract and furnish the bonds above mentioned.

Workmen employed on said work shall be paid not less than the hereinafter set forth prevailing scale of wages.

Classification Hourly Rate
Carpenters \$2.75
Painters—7 hour day 2.70
Plasterers—8 hour day 3.43

all others in accordance with the rates fixed by schedule adopted by the Board of Supervisors of the County of Santa Clara, to which reference is hereby made for rate or payment not herein specified.

The prevailing wage scale heretofore adopted by the Board of Supervisors of the County of Santa Clara on June 4, 1951, as amended, is hereby adopted as the general prevailing rate of per diem wages in the locality in which said public work is to be performed for each type of craft or workmen needed to execute the contract, and said schedule of wages is hereby specially referred to and incorporated herein and made a part hereof as though the same were herein set out in full, including the specifications therein of per diem wages for legal holidays and overtime work in said locality and this contractor to whom the contract is awarded, and any subcontractor under him, shall pay not less than the specified prevailing rate or wages as therein specified to all workmen employed in the execution of said contract.

Said schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed therein is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union wage scale for such labor.

Contractors who propose to have subcontractors perform work or labor or render service to them in or about the work should designate in their bid the names and location of the places of business of each subcontractor who will perform such work, labor or render service in an amount in excess of one-half of one per cent of the contractor's bid.

All bidders shall be required to furnish surety bonds for the faithful performance of the work and as required by Section 4200 of the Government Code of the State of California in the amount of 100%.

This Board reserves the right to reject any and all bids, and to

BUC GRIDDERS HARD AT WORK FOR OPENING GAME WITH CASTLEMONT

by Bob Olson

Head Coach Jim Muir has been working with his 1954 grid squad for two weeks in preparation for a tough season and on opener a week from tomorrow against Castlemont High School in Oakland. This year's eleven has a rough "away from home" schedule (5 away, 3 here) with an inexperienced backfield as the result of last year's graduations. The June, 1954, seniors included some of the greatest athletes the local high school has ever produced.

This year's football squad appears to be aggressive, hard-working, and sturdy in the line. Last year's backfield was rated the most powerful offensive unit in the conference. Missing will be Big Bill Gregg's plunges through the line, Billy Montero's scabcat maneuvers and Don Davis's long pass-catching arms, not to mention Larry Sutton's astute quarterbacking. There will be ten experienced and returning lettermen including Gary Lukehart, last season's all SCVAL tackle.

The Campbell coaching staff believes in training all the players to go both ways. This year, even more than last, it is doubtful that any star will shine merely on offense or defense. The whole lineup is, of course, still tentative, but a look at Muir's first two "units" are working out every afternoon after school. So far, the squad has suffered few injuries.

The first unit has the two finest ends in the conference in Dick Kolte and Tony Schraub. Schraub is the SCVAL's outstanding pass receiver and a consistently hard-working halfback. Kolte is a fine blocker as well as receiver.

Gary Lukehart, a senior now, is out to prove that his 1953 nomination for all SCVAL tackle was no fluke. The other guard spot will probably fall to his brother, Roger Lukehart, a junior. Roger is mighty aggressive when playing defense, and uses all of his one hundred and ninety-seven pounds and six foot, three and a half inches to a bone-cracking advantage over opponents. A third possibility at starting tackle is Fred Esparza who has a tremendous desire to play.

Wally Koontz is sure to strengthen the middle of the line when he settles down to seriousness. The other first unit guard, Roy Cureton, it not only experienced but the fastest man on the whole squad. Cureton has been a star for two years as a lightweight and one year at second string behind Ted Bohn.

Rod Sprecher at center is another track man. He seems to have grown in both height and weight over the summer and should have a season full of steady games.

The backfield, though new, looks promising. Backfield lettermen include Richard Buck and Ed Snow, both of whom played only defense last year. Big things are expected of Buck at offensive left half this year.

No bidder may withdraw his bid for a period of 30 days after the time for the opening thereof.

No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractors License Act of the State of California.

BY ORDER OF THE BOARD OF TRUSTEES OF THE CAMPBELL UNION HIGH SCHOOL DISTRICT.

CAMPBELL, CALIFORNIA.

SPORTS

MORE DEER NOW IN 37 COUNTIES

Pre-season surveys by wardens and other field men of the Department of Fish and Game show that there are more deer than last year in most of the 37 counties comprising the inland deer season area.

The season opens Saturday, September 25 in all California except the portion covered by the coastal season which closed last week. Last day of legal shooting is October 24 except in Inyo and Mono Counties, where the season closes on October 17.

A kill approaching the 1951 high is expected in the Central Sierras region, where two mild winters and good feed conditions have resulted in high fawn survival.

Two other factors are expected to account for a higher take this season. They are increased road building, providing access in National Forests, and the continuing buildup of hunter pressure.

Field reports show that deer are in generally good condition, although in some areas the bucks still are in the velvet.

Fire hazard throughout the inland area is expected to be high until the first heavy storms, and hunters are urged to exercise extreme caution.

St. Grigid's Church in San Francisco is constructed of slabs of hewn granite that served as pedestrian crossings in the days of cobblestone streets.

SEASON'S FIRST TWO GRID GAMES MAY BE TOUGH ONES, SAYS MUIR

Co-champion with Fremont the past two years, Campbell's grid squad will still be underdog in its first two games this year. "Or at least we should be," says Head Coach Jim Muir. Santa Cruz is always tough at home in the Surf City and Campbell couldn't defeat Castlemont here last year so the Oakland eleven should prove even tougher on its own field. Pre-season prognosticators pick neither Campbell nor Fremont for the SCVAL title this year; most of them favor Los Gatos and Santa Clara. Muir thinks that his club will be a strong contender but picks Santa Clara, Los Gatos, and the Fremont Indians as the three strongest teams in the conference. It appears now that the local eleven's two "big games" will

again be against Fremont (there, 8 P. M., Friday, October 22) and Los Gatos (here, Thanksgiving morning).

Campbell's 1954 schedule
Oct. 1, Friday afternoon, 3 P. M., at Castlemont.

Oct. 8, Friday night, 8 P. M., at Santa Cruz.

Oct. 15, Friday night, 8 P. M., at Mountain View.

Oct. 22, Friday night, 8 P. M., at Frem

CHRISTIAN SCIENCE

How understanding of the spiritual nature of reality brings enduring health, harmony, and progress—will be set forth at Christian Science services Sunday.

The Lesson-Sermon entitled "Reality" includes the following from I Peter (1:24, 25): "For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following correlative passage will be read (335:27-29): "Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal." The olden Text is from I Corinthians (1:31): "As it is written, He that glorieth, let him glory in the Lord."

First Dance On Friday, October 1

The first all student-body dance of the year will be held tomorrow evening in the Girls' Gym at the High School. The theme for this opening dance has not as yet been definitely decided. The Social Affairs Commission headed by Mary Ann Denning and the Art Commission headed by Karla Edsinger will be working hard to make this dance one long to be remembered.

FIRST ASSEMBLY SEPTEMBER 28

First High School assembly for the new year will be held September 28. Supt. Laurence J. Hill will greet all students and will discuss various school policies and principles. He will give information of particular value to new students and to freshmen.

Students will be seated in the auditorium in assigned sections according to their second period classes.

Roger Lapham To Campaign For Stuart McClure

Stuart L. McClure Republican nominee for the Board of Equalization, announced the opening of new campaign headquarters this week at 935 Market Street, San Francisco.

Roger D. Lapham, former San Francisco mayor, was reappointed general chairman. Lapham stated that McClure's strong showing at the June election had since attracted the support of literally thousands of citizens who had failed to register a vote for the office at the primaries.

"Stuart L. McClure is the first candidate in 15 years to seriously challenge the rule of George Reilly in the First District," Lapham said. "Only now are the voters beginning to realize the strength of the opposition to the incumbent board member."

Mrs. David S. Huenegard, well known club woman and social worker was re-named women's committee chairman. Mrs. Huenegard, a former Youth Guidance Center worker and one-time women's committee chairman for Reilly in a previous campaign declared, "The women of the First District are deeply concerned with the breakdown of the law under the present Board of Equalization administration. Lax enforcement of the liquor laws is one of the biggest contributing factors to the juvenile delinquency problem here."

During his tour of San Mateo, Santa Clara, San Benito, Santa Cruz, Monterey, San Luis Obispo and San Francisco counties, McClure spoke a rodeo, picnics, parades and teas with several appearances each day.

McClure has been a working newspaperman for the past 15 years, recently winning the Pullman "Big Story" award for outstanding journalistic achievement. Enlisting in the army as a private, he worked his way through the ranks to become a first Lieutenant, serving 25 months in Europe as a combat infantry officer. He was twice wounded and decorated for valor.

His community activities included service in veterans affairs, vice chairman of the General Federal Rent advisory Board of the San Francisco Bay Area and scores of other civic endeavors. He is currently chairman of the Board of Trustees of a charitable foundation for handicapped children.

Prune Marketing Steps Are Taken

California's prune crop marketing, out of balance because of rain loss in Sonoma county, is expected to be adjusted as the result of a meeting of the prune administrative committee in San Francisco, Tuesday, September 21.

Robert A. MacArthur, chairman of the committee, who recently returned from talks with the Department of Agriculture in Washington, said that nothing definite came of the meeting but that federal assistance to hard-hit northern growers hinges on action by the prune administrative committee.

MacArthur declined to predict just what might be done because of the complicated nature of the situation.

Crop loss in Sonoma county ranges between 15,000 and 18,000 tons but nearly 180,000 tons remain in the state's prune crop, it is estimated. This is plenty for the domestic market.

Each dial on the four-faced clock on the Ferry Building at San Francisco is 22 feet in diameter with numerals three feet long.

The central wing of the M. H. deYoung Memorial Museum in Golden Gate Park at San Francisco is devoted to the arts of Europe and America.

INDIAN ARTS AND CRAFTS AT EXHIBIT Indian Arts and crafts are being exhibited Saturday in room B at the civic auditorium, San Jose in observance of Indian Day. Guest speaker will be Mrs. Mary Dornback, executive secretary of the California Council of Indians and the Regional Director for the National Council of Indians. Teachers and school children are especially invited. Hours are 2 to 5 p. m. and there is no admission charge.

modern electric living began with this lamp

The date was October 21, 1879. In his laboratory young Thomas Edison stood watching a filament glow in a glass bulb. The ingredients of his crude experimental lamp were a bit of carbonized cotton thread bent in horseshoe form, and placed inside the sealed glass bulb. And it was this—the first successful incandescent lamp—that brought electricity out of the laboratory, and into the home.

In the same year, 1879, San Francisco was the first city in the world where anyone could buy electricity. P. G. and E. electric business dates from this tiny plant pictured above. Another P. G. and E. ancestor company had introduced the first gas lights, 25 years earlier.

Today, electricity is an everyday part of our lives. And good lighting costs so little. Thanks to more efficient light bulbs and lower cost of electricity, you now get 17 times as much light for your money as people did when the incandescent lamp was first used in California.

STANFORD PLANS NEW AUDITORIUM FOR MUSIC USES

Word came from President Wallace Sterling of Stanford University today that a music auditorium to seat 770 persons is to be built on the campus in memory of Florence Dinkelspiel by gifts from her husband and family. Dinkelspiel is president of the Stanford Board of Trustees.

The new building will provide rehearsal and performance facilities for the Department of Music under the direction of Prof. William L. Crosten, department head. It will accommodate a wide range of musical productions, from solo concerts through symphony orchestra concerts and operas. It will comprise 22,600 square feet and cost approximately \$400,000.

Milton Pfeleger and Spencer Ambrose, both of San Francisco, have been named associate architects. A starting date for construction has not been set.

The building will be located near the corner of Lasuen street and Lagunita drive.

In the university's master plan, the music building will open onto a paved plaza across from the proposed Tresider Memorial Union building and will be closely integrated with other student facilities that are to be provided by future remodeling of the existing Union.

"The building will probably be used four nights a week for rehearsals and one or two nights for audience presentations," Dr. Crosten has declared. "Thus, in this location, we shall be establishing an intimate connection between music and student life."

The building is designed as an oblong, reinforced concrete structure with a ground floor and basement.

On the main floor will be a lobby, the auditorium, an orchestra pit and platform, dressing and make-up rooms, and a stage workshop.

The windowless, air conditioned and sound-proofed basement will accommodate 14 individual practice rooms, two chamber music practice rooms, and various storage and work rooms. There will also be a large room to be finished eventually for a concert and orchestra rehearsal hall.

Proposition Of Betting At Fair To Go On Ballot

Two propositions relating to operation of the Santa Clara County Fair are to be placed on the November ballot according to action taken Monday by the County Board of Supervisors.

One was a charter amendment retaining control of fair operations in hands of the board rather than permitting it to pass to the county executive next year as the charter now provides.

The other was the controversial issue of pari-mutuel betting on county fair horse races. This question will be advisory only.

The charter amendment proposal was passed 4 to 1 with Supervisor Ed Levin objecting. Levin protested that the action was intended to nullify the charter intention.

The charter amendment came before the board when Vince Garrod, of Saratoga, president of California Farmers Incorporated, presented a letter. It read:

"A group of Santa Clara county residents, after considerable study regarding the unforeseen limitations of authority placed upon your honorable body by the enactment of the charter form of government, has requested me to ask you to give serious thought to this subject."

"Proposed ballot proposition: 'Shall the county charter be amended to permit the board of supervisors to operate the annual county fair and fair grounds under the general laws of the state of California?'"

County Counsel Howard Campen recently gave the board an opinion that under charter provisions the county executive would assume control of fair operations when the present contract between the supervisors and the fair association expires next year.

The board action on pari-mutuel betting was a reversal of a decision last week. It came on a 3-2 vote with Supervisors Sam Della Magiore and Joseph McKinnon in the minority.

A letter from Mrs. George Robertson of Saratoga, president of the Sixth District PTA charged that "failure to put the question of pari-mutuel betting on the ballot is a grave concern of parents in this county and is a reversal of previously announced plans . . . it is a violation of a fundamental democratic process granting the people an opportunity to know how their tax money is being spent."

Joan Arnau (Miss Campbell) greets tiny Kathryn Wilson of Sunnyvale who was runnerup in the diaper derby at the Santa Clara county Fair last week. Her mother, Mrs. LeRoy Wilson (nee Nancy Walker) is a graduate from Campbell High School class of 1949. Miss Campbell was hostess Sunday presiding over many of the activities at the Fair.

Church Plans Family Picnic At Santa Cruz

The Annual family picnic of the Congregational Church of Campbell and the Congregational Church of Santa Cruz will be held Sunday, September 26, at De Laveaga Park near Santa Cruz.

Dr. Corwin Olds will preside and Reverend Ed Cunningham of Santa Cruz will preach the sermon. The combined choirs of both churches will sing.

Those in need of transportation should phone the Church, FR 8-4418, or Miss Ruby Crow at FR 8-2042. Each family is to bring its own picnic lunch and service. Coffee, sugar, cream and ice cream will be furnished.

Guide signs will be placed along the road to make sure everyone finds the park.

Highway Patrol Is After Speeders

Santa Clara county drivers were warned today by Lt. V. C. Calhoun of the California Highway Patrol that the stepped up speed enforcement program is statewide and not confined to this county.

"We feel it is only fair to let everyone know that the entire patrol is working to reduce accident through closer control on speed and this means that wherever one goes in California he will know that the eyes of the Patrol are upon him," Lt. Calhoun said.

"We have found so many accidents are caused by driving too fast for conditions that the only answer is to strictly enforce the law whenever a violation is noted."

Lt. Calhoun pointed out that both commercial and private vehicles are being checked.

Couples Club To Meet On Tuesday

The Couple's Club of the Campbell Methodist Church will hold a pot-luck dinner Tuesday evening, September 28, at 7:00 p. m. in the Social Hall of the Church.

Guest speaker will be Reverend Robert L. Benefiel, pastor of the Los Gatos Methodist Church, whose topic will be "For the Living of These Days".

Members are asked to bring their own table service and either a hot dish, salad or dessert. For more information call Mr. or Mrs. Lawrence Quinsland at CY 2-4844.

Following the dinner there will be a naming of the club and entertainment.

TROOP MEETINGS ARE RESUMED

Brownie Troop 274, with leader Mrs. Jerry Collins, has resumed regular Wednesday meetings at the Collins home, 769 McBain. During the summer the troop was kept busy with a recreational program of crafts and games by its two co-leaders, Mrs. Paul Christensen and Mrs. Mac Cutler, who devoted a great deal of time and effort to their work.

Members of the large Brownie troop are Ann Christiansen, Carol Collins, Carol Cutler, Melanie Delia, Judy Ferguson, Loretta Goeppel, Sandra Lew, Susan McDonald, Mary Ann McAfee, Paula Neale, Marion Nicholls, Jacqueline Struff, Martha Tumason, Gale Vallelunga, Susan Weber and Judy Wyatte.

LETTER TO EDITOR

September 17, 1954
Editor, Campbell Press

The Cambrian Park Improvement Association and its "Cambriana" committee wish to take this opportunity to extend to you and your staff sincere thanks for the cooperation and publicity you gave us on "Cambriana."

Our carnival was a great success, and we do certainly appreciate your assistance.

Sincerely,
JOHN L. BANKS
President.

CAMPBELL REGISTER

Mothers Club of Campbell Chapter, Order of DeMolay, will meet at 8:00 p. m. tonight in the home of Mrs. Richard Dolanski, 729 Lovell Avenue. Mrs. E. Mortensen, president, will conduct the business meeting. All members are urged to attend.

Mr. and Mrs. D. R. VAN ROSEM of Casey Rd. have enjoyed as their house guests, Mrs. Van Rossem's sister and family, Mr. and Mrs. R. E. CLANCY with children Terry, Danny and Craig, of Reno, Nevada. Enroute, the Clancys stopped at Yreka and brought Mrs. R. C. Hughes, mother of Mrs. Van Rossem and Mrs. Clancy with them for a week's visit.

The NEAL KENNEDYS with children Debra and Yvonne, returned to their home in Willows last week after a month's visit with their parents Mr. and Mrs. Herman Rice Sr., and Mr. and Mrs. E. R. Kennedy of Catalpa Lane.

The C. C. MOORE'S of 94 S. Milton have returned from a trip to Monterey, San Diego and Tijuana, after participating in the Admission Day parade in Monterey. Both Mr. and Mrs. Moore paraded with the Piedmont Chapter of Native Sons and Daughters of the Golden West, one with the Drum and Bugle Corps and the other with the Drill team.

Dr. and Mrs. PAUL ROBERTS and family of 135 W. Rincon, have

recently returned from a week's camping trip at Fallen Leaf Lake, near Tahoe, where they are building a summer cottage.

Late Sunday night, someone is reported to have stolen the rope from the flag pole and damaged the volleyball net at the Rosemary School.

The Mothers Club of Los Gatos Chapter, Order of DeMolay, are sponsoring a "Get Acquainted" dance tomorrow evening at the Los Gatos Youth Center. The dance is open to all members or friends of DeMolay and their guests. No admission will be charged. Sport dress is required.

Mr. and Mrs. GEORGE ADAMSON and son Rett, spent last week vacationing in Santa Cruz. Evelyn, who is deputy clerk for the City of Campbell, relaxed at the beach while George fished and caught a 30 footlength of seaweed, one anchovy and four hermit crabs.

The Executive board of the Cherry Lane Home and School Club held its first meeting of the fall term Thursday evening, September 16, for the purpose of planning its program for the year. Cliff Cunha, president, conducted the meeting.

Mr. and Mrs. HARRY STORY and children are watching progress on the building of their new home on Catalpa Lane, next to the E. R. Kennedy place.

EARLY MORNING BLAZE
Fire yesterday did an estimated \$255,000 damage to the Robinson's Furniture Store in San Jose as fifty firemen and eleven pieces of apparatus fought the four-alarm blaze.
